

Soccer is a physical, contact, sport that involves the risk of injury. I assume all risks and hazards associated with my participation in the sport. I am in proper physical condition to participate in soccer practices and games and have no illness, disease or existing injury or physical defect that would be aggravated by my participation. I further acknowledge that this risk may involve loss or damage to me or my property, including the risk of death, or other unforeseen consequences, including those which may be due to the unavailability of immediate emergency medical care. I have a current medical consent form in force. I will wear shinguards, properly-fitted and appropriate shoes, and other protective equipment, as provided by soccer rules, to all events. The league or tournament does not have personal injury insurance that covers my participation. Therefore, I should have a current, active, personal injury insurance policy in force, which covers my participation. Under any condition, I am responsible for any and all medical expenses arising from my participation, both in practices and games and while travelling to and from these events.

As agreed to above, I hereby release Toros from any liability for any injury that may occur during games.
